

## Guide: Use of Marketline outside the campus network

In Marketline database it is possible to make international market, industry, branch and company search. The database contains industrial and company profiles, case studies, information on countries and a news archive.

In order to use Marketline outside the campus network, as a HFT Member you can authenticate yourself via Shibboleth. The fastest way to Marketline is via DBIS database information system.

**Step 1:** Search for Marketline in DBIS and choose Marketline link from the hit list.

The screenshot shows the 'Datenbank-Infosystem (DBIS)' interface. The search term 'marketline' is entered in the search box. The results section, titled 'Ergebnisse Ihrer Suche', shows search criteria and a list of selected databases. The 'MarketLine Advantage' entry is circled in red. The table below shows the selected databases and their access methods.

Gewählte Datenbanken (2 Treffer)	Zugang
<a href="#">Business Source Premier (via EBSCOhost)</a>	Campus/Shibboleth/VPN
<a href="#">MarketLine Advantage</a>	Campus/VPN

**Step 2:** Click on „Recherche starten“ URL.

The screenshot shows the 'Detailansicht' for 'MarketLine Advantage'. The 'Recherche starten' field contains the URL 'https://advantage.marketline.com/', which is circled in red. The 'Verfügbar' field indicates access via VPN.
