

Acquisition request: In this way, you can suggest a particular book or e-book for an acquisition

Have you searched in our catalogue and haven't found the searched book? Then you can make an acquisition request directly in the catalogue.

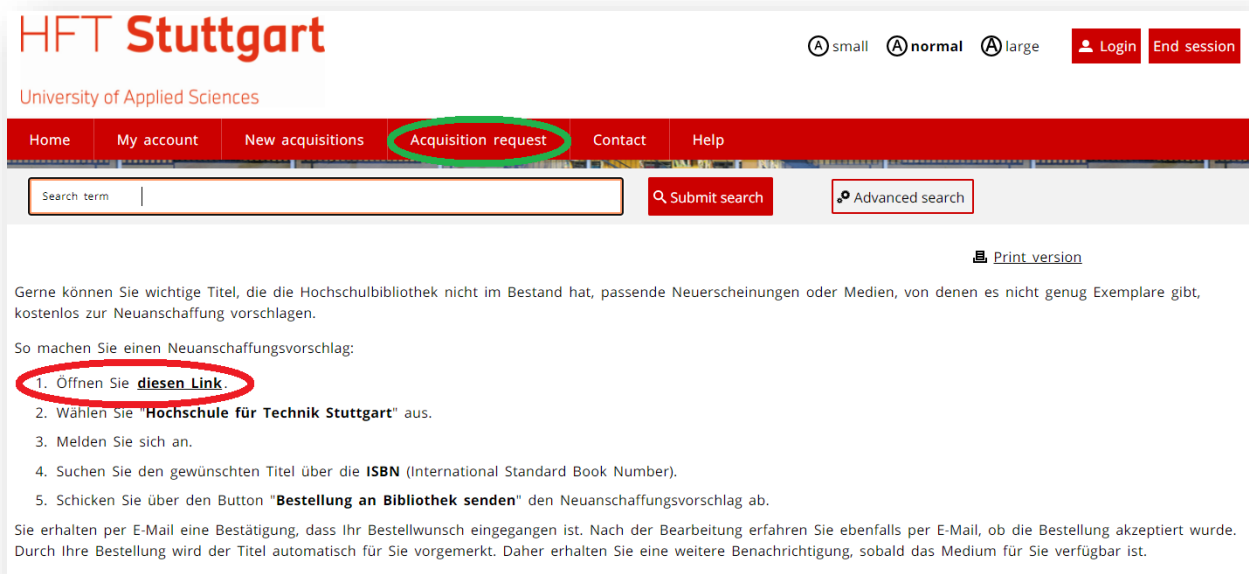

Via HFT catalogue:

1. Step: Start [HFT catalogue](#) and go to the button „Acquisition request“.

The screenshot shows the top navigation bar of the HFT Stuttgart website. The 'Acquisition request' button is highlighted with a green circle. Below the navigation bar, there is a search bar and a 'Print version' link. The main content area is titled 'Library Catalog of the HFT Stuttgart' and contains a brief description of the library's holdings.

2. Step: Now you can make an acquisition request, by clicking on „diesen Link“.

The screenshot shows the same HFT Stuttgart website, but with the 'Acquisition request' button highlighted in a green circle and the 'diesen Link' in the first step of the instructions highlighted in a red circle. The instructions are as follows:

1. Öffnen Sie **diesen Link**.
2. Wählen Sie "Hochschule für Technik Stuttgart" aus.
3. Melden Sie sich an.
4. Suchen Sie den gewünschten Titel über die ISBN (International Standard Book Number).
5. Schicken Sie über den Button "Bestellung an Bibliothek senden" den Neuanschaffungsvorschlag ab.

Below the instructions, there is a paragraph explaining that users will receive an email confirmation of their request and another email when the item is available.

3. Step: Select „Hochschule für Technik Stuttgart“ from the drop-down menu and confirm with “OK”.
