

# Installierte Software / Installed software

Die Rechner in den PC-Pools werden in den Semesterferien regelmäßig von Grund auf neu installiert. Die Verteilung der Software über die Räume ergibt sich jedes Semester je nach Anforderungen durch die Vorlesungen und die Belegungspläne neu. Die derzeit installierte Software ist in der Tabelle aufgelistet.

The computers in the PC pools are regularly reinstalled from scratch during the semester break. The distribution of the software across the rooms changes every semester depending on the requirements of the lectures and the occupancy plans. The software currently installed is listed in the table.
