

Easy entry of the Information Center for first semester students - English

The [Information Center](#) welcomes all first-year students to the Hochschule für Technik Stuttgart – University of Applied Sciences. We will be happy to accompany you throughout your studies with our service and information offers.

To help you get started with your studies, we have compiled all important information about the services offered by the Information Center for you on this page:

Service and support overview of the Information Center

 - [Rules and regulations](#)
- [Info and support of the Information Center \(library and IT services\)](#)
- [Service and Support Portal](#)
 - [Contact](#)
- [Online Portals, IT Services and Library of the Information Center at a glance](#)
 - [IT services at a glance](#)
 - [Bibliothek im Überblick](#)
- [Links for your study start](#)

First things first

Access (HFT account)

Access / Login:

In order to use the services offered by the Information Center as well as many other IT services of the university, you almost always need an account (login) of the Hochschule für Technik.

Your login information for the IT systems of the HFT will be created no later than 3 working days after your successful enrollment. You can retrieve your login information from a notice the campus and application portal (<https://campus.hft-stuttgart.de>). The login information consists of user name and password. **It is mandatory to reset the password immediately (via <https://mail.hft-stuttgart.de>).**

Without this initial password change, you will not be able to log into any other HFT IT system.

This is straightforward and you will be guided by the system ([instructions](#)).

The login details (username and password) for the following applications: Moodle, LSF, Confluence, Campus and Zoom account are the same as for your HFT mail account.

MFA Authentifizierung

Important note

For most HFT services and instructions, you will need to set up a multi-factor authentication!

You can only do this on site at the HFT!

See instructions:

[Multifaktor authentifizierung](#)

Zoom Account

If you need a Zoom account, you can log in to [Zoom via SSO](#) using your HFT email address and your university credentials (user name and password).

You can also find instructions under [Zoom instructions](#)

This will create your Zoom account and make it active right away.

Rules and regulations

Please refer to the following regulations and bylaws:

- [Library Fee Schedule](#)
- [Brief information on the use of the library](#)
- [User rules IT Services](#)
- [Operating rules IT Services](#)

Info and support of the Information Center (library and IT services)

If you have questions or problems concerning the **library and the IT services of the university**, the [Info and Support Team](#) of the Information Center will help you.
